DEDICATION

G. D. TATE
1940-1969

As a young man, G. D. Tate chose to become an educator. He prepared himself well by attending Wayland Baptist College and later transferring to Texas Technological College where he received his BS and M.Ed Degrees. His career began at Rhoda School District in Stonewall County. After one year, he moved to Sunset School District in Floyd County (now South Plains) as principal for four years. Next, he became principal at Sand Hills, Floyd County for two years. The next two years were spent as elementary principal at Lockney, Texas. Then he became high school principal at Lockney High School for nine years. In 1940, he came to the booming oil town of Denver City as high school principal. He faced a tremendous challenge of starting and accrediting a new high school. Under his expert guidance, D.C.H.S. became one of the leading high schools in the State of Texas. In September 1954, Mr. Tate returned to his first love, elementary principal of Denver City Public Schools. Thus, he rounded out 47 years of dedicated service to the youth of Texas.

The staff realizes that mere words cannot express the love and appreciation of all his former students and co-workers. So: they simply say "Thank you, Mr. Tate for a job well done." We dedicate this 1969 Mustang to you, realizing that to have contacted you on our educational route is a rare privilege.

BASKETBALL REGIONAL PLAYOFF

The Denver City Mustangs basketball season ended February 25 at Levelland. The Dimmitt Bobcats, District 3AA champs, defeated the Mustangs 83-73. The Mustangs pulled into an early 6-2 lead, but Dimmitt soon erased that and was ahead at the end of the first quarter, 24-17. By halftime, the Bobcats were ahead 48-35. The Mustangs came back on the floor the second half ready to play. Dimmit's lead soon dwindled to five points at 63-58, but five quick goals by the Bobcats put them ahead by ten points which they never relinquished. Although the fighting Mustangs failed to take advantage of several opportunities to catch the Bobcats, they never gave up. Three Mustangs and three Bobcats fouled out of the game. Mike McKinney led the Mustangs with 18 points. Ralph Russell and Richard Cox followed with 17 points each. Jerry Brady, Dimmit's 6'4" center, had 12 field goals and 12 free throws for 36 points to lead all scorers.

SENIOR RESUMÉ

As we, the Senior Class of '69, near graduation and that march down the aisle, we wish to look back for a moment on our happiest memories at Denver City High School. The tears in our eyes are tears of sadness, joy, and gratitude because we must leave so many wonderful friends behind.

As Freshmen, we entered high school with a determination to be the best Freshman class ever. With a little encouragement, we became active in pep rallies and many of the clubs at D.C.H.S. We learned to love and respect upperclassmen until, finally, we were the upperclassmen to be respected. The Christmas Party and the end-of-school picnic, consisting of water balloons, silly soap, and lost contact lens, made our "fish" year a most memorable one.

Next, we began that long climb toward becoming upperclassmen. We called ourselves sophomores and took more active roles in the clubs and activities of D.C.H.S. The Christmas Party was the main attraction of the year. Most of us remember the entertainment at that party! Once again, there was a picnic, highlighted by water ballons and cut-offs. Thus ended our second year of high school.

At last we were Juniors and had officially earned the title of upperclassmen. It was an enthusiastic and energetic group who sold football tags every week. We had the support of our school administration as well as the student body and the townspeople. After a rather short football season, we presented Take Your Medicine to the public. With the money we earned from the sale of football tags, we presented the Class of '68 with a beautiful Prom and Banquet. Despite the drooping crepe paper, crowded tables, and dead fish in the pond, "Three Coins in the Fountain" will long be remembered as the best Prom yet.

On May 24, 1968, we received the long-awaited title of SENIOR, along with our senior rings. We were left alone to set our own goals and make our own mistakes. We took our last football, volleyball, basketball, band, and choir trips that we would ever take in high school. The Halloween Carnival, the Christmas Party, "Santa's Workshop"; the Senior Play, Finders Creepers; and the Junior-Senior Banquet and Prom, which meant so much to each of us, helped to make our Senior year one that we will always remember. And now --- most important of all --- GRADUATION.

These have been our most cherished memories. Memories experienced through laughter, as well as tears; through defeat, as well as victory.

Now, as we stand on the threshold of a new beginning, our hearts are sad because we must leave the things we love most in life: Our homes, our school, and our friends. Yet, we realize this is not the end, but the beginning of a new and wonderful experience. We are grateful for the guidance we have received in preparation for the task which lies before us. In this time of turmoil and change we must learn "To strive, to hope, achieve, to say what we wish, To think as we believe."

TRIBUTE

Once upon a time - oh, many, many years ago as time is calculated by children - there came to us from high school, a most understanding, thoroughly happy, and utterly involved man who was known throughout Elementary School as "The Principal."

Since Mr. Tate came to us in 1955, his faithful and untiring efforts have endeared him to faculty, student body, all the school personnel, and to the community in general.

We feel that our school, as well as each of our personal lives, has been enriched by his understanding, his laughter and a love that is strong and warm in any kind of weather.
